

A Place Where Everyone Belongs - Thanks to You.

Thanks to the generosity of so many in this community - including the **individuals, businesses, organizations, foundations** and **government bodies** listed below - we reached our fundraising goal and our bold vision for the new expansion is now a reality.

This **fully accessible addition** transforms our historic schoolhouse into an inclusive hub where creativity, connection and community can thrive. What was once a limitation is now an invitation: a space where people of all ages, backgrounds and abilities can gather, create and belong.

We are deeply grateful to every supporter who made this possible. Thank you for leaving your mark on the future of the arts in Centre Wellington and beyond - and for helping to strengthen and uplift our community for generations to come.
